8 Highlights From Miami Art Week

By Kat Herriman

Dec. 7, 2017

NADA Miami Places an Emphasis on Community

NADA Miami returned to the Ice Palace Studios, a film studio, this year, and the fair's exhibitors took advantage of the space's soaring ceilings and roomy corridors by creating booths that feel simultaneously domestic and cinematic. Take, for example, the Detroit-based artist Marie Herwald Hermann, who paired her own sculptural still lifes with a wallpaper by William Morris at fair first-timer Reyes Projects's booth.
