**Paved Paradise: Nick Doyle's New Solo Show
@ Reyes | Finn, Detroit**

Reyes | Finn // January 10, 2020 - February 22, 2020

Reyes | Finn in Detroit, MI presents the debut solo solo exhibition of artist Nick Doyle. Titled **Paved Paradise**, the artist investigates American iconography and masculine idealism.

Doyle uses the road trip—a pillar of American mythology—as a point of entry to his work in order to question the persistence of Rugged Individualism as the fabric of our national identity. Through a series of mechanical miniatures, theatrical scenery, and satirical prop-like denim works, the artist foregrounds the dangers of nostalgia and our evolving relationship to consumerism. **Paved Paradise** marks Doyle's first solo exhibition in Reyes | Finn's Detroit gallery space, following solo presentations with the gallery for Condo New York 2019 and NADA Miami 2019.
